

LOCUM RADIATION ONCOLOGIST
Queen's University
Kingston, Ontario

Queen's Department of Oncology is seeking a **Locum Academic Radiation Oncologist** from mid-June to the end of September 2018 to cover physician absences during the summer. Qualified candidates must be eligible for licensure with the College of Physicians and Surgeons of Ontario. Preference will be given to applicants who are certified or eligible for certification in Radiation Oncology by the Royal College of Physicians and Surgeons of Canada. Candidates must demonstrate evidence of an ability to work in an interdisciplinary, collaborative environment. Experience with head and neck cancer treatment would be an asset. The candidates will also be expected to take a full role in the clinical activities of the Division of Radiation Oncology. Remuneration is negotiable.

The Division of Radiation Oncology, and its affiliated Cancer Centre at the Kingston Health Sciences Centre, currently consists of 12 full-time and part-time academic Radiation Oncologists practicing at the Cancer Centre at the Kingston Health Sciences Centre. The Cancer Centre sees over 4,500 new patients each year, is the sole provider of advanced cancer treatment for the 600,000 residents of south-eastern Ontario and is part of the Regional Cancer Program of south-eastern Ontario.

The University invites applications from all qualified individuals. All qualified candidates are encouraged to apply; however Canadians and permanent residents will be given priority. Queen's is committed to employment equity and diversity in the workplace and welcomes applications from women, racialized/visible minorities, Indigenous/Aboriginal peoples, persons with disabilities, and LGBTQ+ persons. Candidates require fluent written and oral communication skills in English.

To comply with Federal laws, the University is obliged to gather statistical information about how many applicants for each job vacancy are Canadian citizens/permanent residents of Canada. Applicants need not identify their country of origin; however, **all applications must include one of the following statements: I am a Canadian citizen/permanent resident of Canada; OR, I am not a Canadian citizen/permanent resident of Canada.** Applications that do not include this information will be deemed incomplete.

The review of applications will commence March 15, 2018 and will continue until the position is filled. Applicants should forward **a letter of intent to apply, a copy of their curriculum vitae and the names and addresses of three referees** to: Dr. Conrad Falkson, Head, Division of Radiation Oncology, Cancer Centre of Southeastern Ontario at Kingston Health Sciences Centre, 25 King Street West, Kingston, ON K7L 5P9; Tel: 613-544-2631 ext. 4502; Fax 613- 546-8209 Email: Conrad.Falkson@KingstonHSC.ca & Mavis.Livingstone@KingstonHSC.ca

Support to applicants with disabilities, including accommodation that takes into account an applicant's accessibility needs, will be provided in the recruitment processes. If you require accommodation during the interview process, please contact, Louise MacKay, Department of Oncology, Telephone: 613-544-2631 ext. 7968 Fax: 613-548-6144. Louise.MacKay@KingstonHSC.ca
