Kingston, Ontario, Canada K7L 5P9
Tel 613-544-2631
Fax 613-548-6144

The Cancer Centre of South Eastern Ontario in Kingston, Ontario is currently recruiting for a temporary locum full time Medical Oncologist effective Feb 1, 2026, with a term of at least 3 months.

Preference will be given to a candidate with capacity to treat Gastrointestinal Cancers, but all applicants are welcome. This may be ideal for a new graduate, or a locum with experience. Duties will be predominantly clinical, including regular oncology clinics, and some inpatient coverage. Locums may be involved in undergraduate and post graduate medical education, through the teaching, supervision and mentorship of undergraduate, graduate and postgraduate students at Queen's.

The identification of referees who can attest to the applicant's clinical skills will be required. Qualified applicants will hold an MD degree (or equivalent), have completed postgraduate qualifications prior to appointment, and be eligible for licensure in Ontario. The successful applicant will hold a Term appointment at Kingston Health Sciences Centre. The successful candidate will be required to work closely with Radiation, Surgical Oncologists and Palliative Medicine physicians at the Kingston Health Science Centre and Providence Care.

Queen's University is recognized nationally for the quality of its undergraduate and graduate programs, which attract outstanding students. Queen's University is an integral part of the vibrant Kingston community in the heart of the Thousand Islands region of southeastern Ontario. It has a community spirit and amenities unmatched by any other Canadian university. The University and the region offer an outstanding academic and community environment (www.queensu.ca).

Queen's is committed to employment equity and diversity in the workplace and invites applications from all qualified individuals. We welcome applications from women, visible minorities, Aboriginal people, persons with disabilities, and persons of any sexual orientation or gender identity. All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority. To comply with Federal Laws, the University is obliged to gather statistical information about how many applicants from each job vacancy are Canadian citizens/permanent residents of Canada. Applicants need not identify their country of origin or citizenship, however, all applicants must include one of the following statements: "I am a Canadian citizen/permanent resident of Canada" OR, "I am not a Canadian citizen/permanent resident of Canada". Applications that do not include this information will be deemed incomplete.

The review of applications will begin immediately and will continue until the position is filled. Applicants should forward a copy of their *curriculum vitae*, letter of application and the names and addresses of three referees to **Dr. Andrew Robinson, Chair, Division of Medical Oncology, 25 King St West, Kingston, ON K7L 5P9. Email: OncDeptManager@kingstonhsc.ca**

The University will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant's accessibility needs. If you require accommodation during the interview process, please contact the Department of Oncology at the email.
